

Winter Safety Checklist

Contact us for a Free Quote: 866-490-0333

- ☐ Test smoke and CO detectors
- ☐ Install low-temperature and flood sensors
- ☐ Inspect furnace, vents, and filters
- ☐ Check insulation and weatherstripping around doors and windows
- ☐ Set smart thermostat schedules
- ☐ Update emergency contacts in your AlarmTek app
- ☐ Prepare your family and pet emergency plans
- ☐ Verify backup batteries in your security system and CO detectors
- ☐ Stock non-perishable food, bottled water, and essential supplies
- ☐ Prepare a winter emergency kit (flashlights, blankets, first-aid kit, chargers, battery-powered radio)
- ☐ Review insurance and AlarmTek monitoring plans
- ☐ Inspect roof, gutters, and downspouts
- ☐ Trim tree branches and seal gaps around pipes and vents
- ☐ Check pet shelters and ensure they are insulated and windproof
